The Mysore Spinning & Manufacturing Company, Limited.

Bombay, 28th November 1899.

To
The Comptroller,
Government of Mysore,
Bangalore.

Sir

As the Mysore Government Loan Instalment of Rs 21,500 is falling due next month, we have the honor to request the favor of you extending the time to the end of June next, in consideration of the exceptionally trying circumstances of a rather severe famine prevailing in the country together with the Plague making its reappearance in the Province. The latter cause alone caused enough harm to the industry last year in the shape of higher expenses with lower production and still lower demand for the goods, ~~which~~ with the addition of the famine the prospects are anything but pleasing.

Under the circumstances, it will be a great help to us if the Company be given the facility of a deferred payment, and we hope your Government will be pleased to see their way to grant the favor applied for.

We have the honor to be,
Sir
Your most obedient Servants,
pp Chrystal & Co
Agents.
